

Master of Occupational Health and Safety Science (MOHSSc)

If you are unable to access the information in this study plan, please email enquire@science.uq.edu.au for assistance.

Master of Occupational Health and Safety Science (MOHSSc)

Program Code: 5558

Duration: 1.5 year duration (24 units of study)

Entry Requirements: Please refer to [MOHSSc](#) future students page

Key Program Information

- This program is accredited with the Australian OHS Education Accreditation Board and meets the education qualification requirements for certification as both a Certified OHS Professional and a Chartered OHS Professional.
- Some courses in this program may contain enrolment restrictions requiring permission from the Head of School or other approvals. Students are required to email the [School of the Environment](#) to gain approval for restricted courses before they can enrol on SI-Net

Important Notes

The information contained in this document is intended as general advice only.

Students must follow the program rules & requirements listed on the [Programs and Courses Website](#). This planner must be used in conjunction with your program duration course list and program rules.

Students need to check the prerequisites, incompatibilities and restrictions for all courses they select in their study plan. Future course offerings are subject to change.

This document is not intended as a progression or graduation check. For further information on progression or graduation checks, please contact your school.

Further Assistance

Check out the [Frequently Asked Questions \(FAQ\)](#) page on this study planner document.

If you need further advice or have other questions, please contact:
