

Bachelor of Veterinary Technology (BVetTech)

Bachelor of Veterinary Technology (BVetTech)

Program Code: 2387

Duration: 3 years full time (or part-time equivalent)

Total Units: 48

Commencement:

Semester 1 only

Entry Requirements: Please refer to [BVetTech](#) future students page

Key Program Information

- This program commences in Semester 1 only.
- This program has **mandatory vaccination requirements** as per UQ's policy and procedure (PPL) [2.60.08 Vaccinations and Immunisation](#). Please refer *Table 1 – Student immunisation by program/course* in the PPL; or the [Student immunisation requirements webpage](#) for further information on required vaccinations for this program.
- A student must complete additional requirements, including [extra mural studies](#), set by the associate dean (academic).
- Unless approved by the associate dean (academic), a student must gain credit for all Level 1 and Level 2 Core Courses before progressing to Level 3 Core Courses.
- Students may use this program to progress onto the Bachelor of Veterinary Science (Honours) (BVSc(Hons)) program, however they should note that not all credit may be transferred.

Important Notes

The information contained in this document is intended as general advice only.

Students must follow the program rules & requirements listed on the [Programs and Courses Website](#). This planner must be used in conjunction with your program duration course list and program rules.

Students need to check the prerequisites, incompatibilities and restrictions for all courses they select in their study plan. Future course offerings are subject to change.

This document is not intended as a progression or graduation check. For further information on progression or graduation checks, please contact your Faculty.

Further Assistance

Check out the [Frequently Asked Questions \(FAQ\)](#) page on this study planner document.

If you need further advice or have other questions, please contact:

Bachelor of Veterinary Technology (BVetTech)

Students must follow the program rules & requirements listed on the [Programs and Courses Website](#).

Semester 1 commencement

Step 1 Start with the base study plan outlining Core Courses

Year 1				
1 st Semester (Feb – Jun) <i>Semester 1</i>	AGRC1021 Biological Concepts & Plant Science 2 units – Core Course	ANIM1014 Animal Behaviour, Handling & Wellbeing 2 units – Core Course	VETS1018 Veterinary Professional Foundations 2 units – Core Course	Option 2 units – Program Elective Course
2 nd Semester (July – Nov) <i>Semester 2</i>	AGRC1023 Applied Mathematics & Statistics 2 units – Core Course	ANIM1020 Applied Animal Biology 2 units – Core Course	ANIM1120 Animal Handling, Management & Husbandry 2 units – Core Course	CHEM1004 Chemistry 2 units – Core Course
Year 2				
3 rd Semester (Feb – Jun) <i>Semester 1</i>	AGRC2001 Agricultural Biochemistry 2 units – Core Course	ANIM2057 Applied Animal Physiology 2 units – Core Course	VETS2001 Animal Health Technology 2 units – Core Course	VETS2006 Principles of Disease I 2 units – Core Course
4 th Semester (July – Nov) <i>Semester 2</i>	VETS2007 Principles of Disease II 2 units – Core Course	VETS2009 Animal Health & Veterinary Contexts 2 units – Core Course	VETS2043 Surgical Principles & Practices 2 units – Core Course	Option 2 units – Program Elective Course
Year 3 **				
5 th Semester (Feb – Jun) <i>Semester 1</i>	VETS3009 Small Animal Health 2 units – Core Course	VETS3017 Animal Therapeutics 2 units – Core Course	VETS3018 Large Animal Health & Management 2 units – Core Course	VETS3044 Preparation for Professional Practice
6 th Semester (July – Nov) <i>Semester 2</i>	VETS3046 Professional Practice 4 units – Core Course		Option 2 units – Program Elective Course	VETS3044 cont 4 units – Core Course completed over 2 semesters

CHEM1004 is compulsory for students who have not passed Queensland Senior Chemistry (or equivalent) in secondary school. CHEM1040 is available to students who have passed Queensland Senior Chemistry (or equivalent) in secondary school; however, it is recommended that they choose a program elective course instead.

Continued next page

Step 2 Decide on your program elective courses, noting any prerequisites incompatibilities, and restrictions for the courses you select. Please refer to the [BVetTech](#) course list for full course options.

IMPORTANT NOTE: ** A student must gain credit for all Level 1 and Level 2 Core Courses before progressing to Level 3 Core Courses.

Frequently Asked Questions (FAQ)

Program Information

Can I study this program part-time?

International students on a student visa must study this program full-time, as per their visa conditions.

Domestic students may choose to complete the program part-time. Part-time students are required to develop their own study plan, however, if you would like assistance with this, please contact the [Faculty of Science](#).

Can I study the Bachelor of Veterinary Technology online?

No, this program requires mandatory in person attendance at the University of Queensland Gatton campus as well as compulsory Professional Practice.

I have completed study at another university, can I be awarded credit towards this program?

Students who have completed study at another institute, at the equivalent level (AQF Level 7) may be eligible for credit towards this program. Students can utilise the [UQ Credit Precedent Database](#) (CPD) to see if their prior completed study has been previously assessed for credit. Please note that the UQ CPD is a guide ONLY and does not guarantee credit will be awarded.

Students can apply for credit via an [online application](#) form which will be processed by the Faculty of Science.

For further information on the credit Policy and Procedures, please refer to [UQ PPL Recognition of Prior Learning](#).

What are the key semester dates for study in this program?

Please refer to the [Academic Calendar](#) for key dates throughout the year.

Course Information

What is a course profile?

Please refer to: [What is a course profile?](#)

Where can I find the electronic course profile (ECP)?

Please refer to: [Where do I find the electronic course profile \(ECP\) for my course?](#)

Where can I find the course coordinator?

The course coordinator can be found on the electronic course profile (ECP). Please refer to question "Where can I find the electronic course profile (ECP)?".

How do I enrol in courses?

Please refer to [Enrolment and class allocation](#) for detailed instructions on enrolling in courses for the upcoming semester.

What is a prerequisite?

Please refer to: [What does 'prerequisite' mean in a course profile?](#)

Do I need to complete the prerequisites for a course before I take it?

Some courses will have a block which will not allow students to enrol in the course before they have completed the prerequisite course. Other courses may list a prerequisite but will not block students from enrolling without it. It is the student's responsibility to check the prerequisites listed and complete the prerequisites before enrolling in the course.

Students who choose to take a course without completing the listed prerequisites first, take responsibility for their success in the course. There will be no special dispensation given to students who enrol in a course before completing the prerequisites listed, including (but not limited to) – extension to assessments, deferred exams, extension to CoE, program variation, removal of course.

What is a recommended prerequisite, and do I need to complete it first?

Recommended prerequisites are courses that are suggested you complete before enrolling in a course, however, are not required to be able to complete the course. It is at the student's discretion as to whether they would like to complete the recommended prerequisites before the course they are interested in enrolling.

Timetable

How can I find out when my classes will be on?

Students can view the [2023 Public Timetable](#) online to see what the available classes will be on offer for the upcoming semester. Please see the question below for student's personal timetable.

How do I select my class times?

When the timetabling system is open for students to preference their classes, they can use the Timetable system via their [my.UQ dashboard](#). Please refer to [Enrolment and class allocation](#).
