

## Graduate Diploma in Agribusiness (GDipAgribus)

### Graduate Diploma in Agribusiness (GDipAgribus)

Program Code: 5736

Duration: 1 year full time

Total Units: 16

Entry Requirements: Please refer to [GDipAgribus](#) future students page

### Key Program Information

- The GDipAgribus has courses run across the Gatton and St Lucia campuses. It is important to check where your course is held when you are enrolling and allow yourself time to travel between campuses when required.
- This program can be used as a pathway for the [Master of Agribusiness \(MAgribus\)](#) program.
- This program offers student the option to complete a field of study, however, it is not compulsory to complete this. Please refer to study plan options below.
- Some courses in this program may contain enrolment restrictions requiring permission from the Head of School or other approvals. Students are required to email the [School of Agriculture and Food Sciences](#) to gain approval for restricted courses before they can enrol on SI-Net.
- This program has **mandatory vaccination requirements** as per UQ's policy and procedure (PPL) [Vaccinations and Immunisation](#). Please refer *Table 1 – Student immunisation by program/course* in the PPL; or the [Student immunisation requirements webpage](#) for further information on required vaccinations for this program.

### Important Notes

The information contained in this document is intended as general advice only.

Students must follow the program rules & requirements listed on the [Programs and Courses Website](#). This planner must be used in conjunction with your program duration course list and program rules.

Students need to check the prerequisites, incompatibilities and restrictions for all courses they select in their study plan. Future course offerings are subject to change.

This document is not intended as a progression or graduation check. For further information on progression or graduation checks, please contact your school.

### Further Assistance

Check out the [Frequently Asked Questions \(FAQ\)](#) page on this study planner document.

If you need further advice or have other questions, please contact:

## Graduate Diploma in Agribusiness (GDipAgribus)

### No field of study

Students must follow the program rules & requirements listed on the [Programs and Courses Website](#).

#### Semester 1 commencement

**Step 1** Start with the base study plan outlining Foundational Courses

Year 1				
1 <sup>st</sup> Semester (Feb – Jun) <i>Semester 1</i>	<b>AGRC7123</b> Agribusiness Planning & Management <i>2 units – Foundational Course</i>	<b>Option</b> <i>2 units – Foundational Course</i>	<b>Option</b> <i>2 units – Foundational Course</i>	<b>Option</b> <i>2 units – Program Elective Course</i>
	<b>Option</b> <i>2 units – Program Elective Course</i>	<b>Option</b> <i>2 units – Program Elective Course</i>	<b>Option</b> <i>2 units – Program Elective Course</i>	<b>Option</b> <i>2 units – Program Elective Course</i>

**Step 2** Decide on your foundational courses:

Check the course list for foundational courses offered. Note that courses are only offered in certain semesters, and should you wish to take a foundational course offered in a different semester than displayed on the study plan, you can do so, by changing it with one of your program elective courses.

**Note:** Students can complete a maximum of 2 units at Level 3 from the “GCAGribus Foundational Level 3 Courses”. Ensure you do not exceed this when selecting your courses.

**Step 3** Decide on your program elective courses, noting which semester they are offered in.

**Step 4** Check prerequisites, incompatibilities, and restrictions for all courses you have selected in your study plan. You can click on the course codes above or find the course on the course list. You may need to adjust courses in your study plan at this step.

Some courses in this program may contain enrolment restrictions requiring permission from the Head of School or other approvals. Students are required to email the [School of Agriculture and Food Sciences](#) to gain approval for restricted courses before they can enrol on SI-Net.

Please refer to the [GDipAgribus](#) course list for full course options.

## Graduate Diploma in Agribusiness (GDipAgribus)

### No field of study

Students must follow the program rules & requirements listed on the [Programs and Courses Website](#).

#### Semester 2 commencement

**Step 1** Start with the base study plan outlining Foundational Courses

Some courses in this program may contain enrolment restrictions requiring permission from the Head of School or other approvals. Students are required to email the [School of Agriculture and Food Sciences](#) to gain approval for restricted courses before they can enrol on SI-Net.

Please refer to the [GDipAgribus](#) course list for full course options.

## Frequently Asked Questions (FAQ)

### What is a prerequisite?

Please refer to: [What does 'prerequisite' mean in a course profile?](#)

### What is a course profile?

Please refer to: [What is a course profile?](#)

### Where can I find the electronic course profile (ECP)?

Please refer to: [Where do I find the electronic course profile \(ECP\) for my course?](#)

### Where can I find the course coordinator?

The course coordinator can be found on the electronic course profile (ECP). Please refer to question "Where can I find the electronic course profile (ECP)?".

### Can I study this program part-time?

International students on a student visa must study this program full-time, as per their visa conditions.

Domestic students may choose to complete the program part-time. Part-time students are required to develop their own study plan, however, if you would like assistance with this, please contact the [School of Agriculture and Food Sciences](#)

### Can I study the Graduate Diploma in Agribusiness online?

Yes, this program has the option to be completed online for students who are unable to attend campus.

### Do I have to complete a field of study?

It is not compulsory for students to complete a field of study in this program. It is optional if students would like to add this to their study. Please note that adding a field of study may reduce your other course options.

### Can I add or remove a field of study after I have commenced the program?

Student can remove a field of study at any time during the program and complete the no field of study option. This does not require permission.

Students may be able to add a field of study to their program, provided they still have sufficient room in the program to complete all the courses for the field of study. Please note that PPL 3.40.11 Enrolment Section 3.1.6 Enrolment in additional courses beyond the program requirements (superfluous courses) prevents students from completing additional courses in the program. If you require additional courses to complete a field of study, please contact the [Faculty of Science](#) for advice.

### What are the vaccination requirements for this program?

This program has **mandatory vaccination requirements** as per UQ's policy and procedure (PPL) [Vaccinations and Immunisation](#). Please refer *Table 1 – Student immunisation by program/course* in the PPL; or the [Student immunisation requirements webpage](#) for further information on required vaccinations for this program.
