

Master of Occupational Hygiene (MOH)

Master of Occupational Hygiene (MOH)

Program Code: 5738

Duration: 1.5 year duration (24 units of study)

Entry Requirements: Please refer to [MOH](#) future students page

Key Program Information

- The Master of Occupational Hygiene (MOH) is accredited by the Australian Institute of Occupational Hygienists (AIOH). Accreditation ensures you will meet the educational requirements for Full membership of the AIOH.
- Students enrolled in the MOH can join the AIOH as either a student or associate member and after obtaining 5 years of professional experience will be eligible for full membership.
- Students in the MOH are taught the practical aspects of occupational hygiene by experienced AIOH Certified Occupational Hygienists.
- The program includes 240 hours of industry placement where you will undertake an occupational hygiene project with real-life outcomes for workers and industry.
- Some courses in this program may contain enrolment restrictions requiring permission from the Head of School or other approvals. Students are required to email the [School of Earth and Environmental Science](#) to gain approval for restricted courses before they can enrol on SI-Net

Important Notes

The information contained in this document is intended as general advice only.

Students must follow the program rules & requirements listed on the [Programs and Courses Website](#). This planner must be used in conjunction with your program duration course list and program rules.

Students need to check the prerequisites, incompatibilities and restrictions for all courses they select in their study plan. Future course offerings are subject to change.

This document is not intended as a progression or graduation check. For further information on progression or graduation checks, please contact your school.

Further Assistance

Check out the [Frequently Asked Questions \(FAQ\)](#) page on this study planner document.

If you need further advice or have other questions, please contact:

Master of Occupational Hygiene (MOH)

1.5 year duration

Students must follow the program rules & requirements listed on the [Programs and Courses Website](#).

Semester 1 commencement

Step 1 Start with the base study plan outlining Core Courses

Year 1				
1 st Semester (Feb – Jun) <i>Semester 1</i>	ENVH7001 Environmental Health Risk - Biological Hazards <i>2 units – Core Course</i>	OHSS7000 Introduction to OH&S <i>2 units – Core Course</i>	OHSS7002 Occupational Hygiene 1 <i>2 units – Core Course</i>	OHSS7003 Occupational Health <i>2 units – Core Course</i>
2 nd Semester (July – Nov) <i>Semester 2</i>	ENVM7003 Applied Research Methods <i>2 units – Core Course</i>	OHSS3002 Risk Management <i>2 units – Core Course</i>	OHSS7004 Occupational Hygiene 2 <i>2 units – Core Course</i>	Option <i>2 units – General Elective Course</i>
3 rd Semester (Feb – Jun) <i>Semester 1</i>	OHSS3001 Physical Ergonomics <i>2 units – Core Course</i>	PUBH7600 Introduction to Epidemiology <i>2 units – Core Course</i>	OHSS7200 Occupational Hygiene Research Project <i>4 units – Core Course</i>	

Course offered in multiple semesters.

Step 2 Decide on your general elective course. Students can complete a Postgraduate Course from any program offered at UQ. We recommend students search for key topics of interest on the [UQ Programs and Courses](#) page to find courses relevant to their interests. Students can also browse A-Z Postgraduate Programs to find courses.

Check the prerequisites, incompatibilities and restrictions for your general elective course to ensure you are permitted to take it in this program.

Students wishing to complete a Level 3, 4 or 5 course should contact the [School of Earth and Environmental Science](#) or the Program Coordinator.

Please refer to the [MOH](#) course list for full course options.

Frequently Asked Questions (FAQ)

What is a prerequisite?

Please refer to: [What does 'prerequisite' mean in a course profile?](#)

What is a course profile?

Please refer to: [What is a course profile?](#)

Where can I find the electronic course profile (ECP)?

Please refer to: [Where do I find the electronic course profile \(ECP\) for my course?](#)

Where can I find the course coordinator?

The course coordinator can be found on the electronic course profile (ECP). Please refer to question "Where can I find the electronic course profile (ECP)?".

Can I study this program part-time?

International students on a student visa must study this program full-time, as per their visa conditions.

Domestic students may choose to complete the program part-time. Part-time students are required to develop their own study plan, however, if you would like assistance with this, please contact the [School of Earth and Environmental Science](#)

Can I study the Master of Occupational Hygiene online?

No, this program requires mandatory in person attendance at the University of Queensland St Lucia campus.

What are the key semester dates for study in this program?

Please refer to the [Academic Calendar](#) for key dates throughout the year.

How do I enrol in courses?

Please refer to [Enrolment and class allocation](#) for detailed instructions on enrolling in courses for the upcoming semester.

How can I find out when my classes will be on?

Students can view the [2023 Public Timetable](#) online to see what the available classes will be on offer for the upcoming semester. Please see the question below for student's personal timetable.

How do I select my class times?

When the timetabling system is open for students to preference their classes, they can use the Timetable system via their [my.UQ dashboard](#). Please refer to [Enrolment and class allocation](#).
