

Students must complete 48 units in total, including:

- 32 units from the Bachelor of Science course list comprising:
 - 4 units for core courses
 - at least one major or extended major
 - the balance of courses for program electives
- 16 units for program or general electives
- Students must complete **at least 10 units of level 3 courses from the Bachelor of Science course list** (general electives cannot count towards this requirement)
- Students can complete a **maximum of 24 units at level 1**

PROGRAM RULES AND COURSE LISTS

Students must follow the program rules and requirements listed on the Programs and Courses Website: <https://programs-courses.uq.edu.au/requirements/program/2461>. To access the relevant program rules and course list for the year you commenced, you can change the year under the heading 'Information for students commencing'.

Study Planners outlining a recommended enrolment plan for each major and extended major are also available here: <https://planner.science.uq.edu.au/undergraduate/bachelor-science>.

COMMON COURSES

Where the program is undertaken with more than one major, extended major, or minor, any courses listed more than once must be counted towards one list and substituted by a course at the same level or higher from the other list or from the BSc course list (excluding general elective courses), with the following exceptions:

- Each extended major must include 12 units of courses at level 3 or higher, taken from that extended major's list and counted towards no other plan.
- Each major must include 8 units of courses at level 3 or higher, taken from that major's list and counted towards no other plan.
- Each BSc minor or UQ minor must include 4 units of courses at level 2 or higher, taken from that BSc minor or UQ minor's list and counted towards no other plan.

ELECTIVES

'Program Electives' refer to courses listed on the Bachelor of Science course list, including courses from majors, extended majors, BSc minors, and any courses listed as prerequisite courses or program electives.

'General Electives' refer to any other courses that are not listed on the Bachelor of Science course list, including courses from UQ minors.

PROGRESS CHECKS

Please use the relevant checklist included on the following pages to complete your own check, and include this when contacting us. If you are requesting a progress check, please ensure that you have correctly declared your majors, extended majors, and minors in [mySI-net](#) (Enrolments > Plans) prior to contacting us.

Bachelor of Science

One Major Option

THE UNIVERSITY
OF QUEENSLAND

CREATE CHANGE

NAME: _____

STUDENT NO.: _____

YEAR COMMENCED:

CORE COURSES [4 units]

SCIE1000

STAT1201 or STAT1301

MAJOR:

Major Level 1 [2 units]

Major Level 2 [6 units]

Major Level 3 [8 units]

PROGRAM ELECTIVES* [12 units]

**Must include 2 units level 3. Can include BSc Minor and/or major prerequisite courses*

Bachelor of Science - One Major Option

Students must complete 48 units in total, comprising:

- 4 units for **CORE COURSES**
- 16 units for a **MAJOR**
- 2 units for a **LEVEL 3 PROGRAM ELECTIVE**
- 10 units for **PROGRAM ELECTIVES**
- 16 units for **PROGRAM/GENERAL ELECTIVES**

*Students can complete a **maximum of 24 units at level 1***

PROGRAM/GENERAL ELECTIVES* [16 units]

**Can include BSc or UQ Minor/s and/or major prerequisite courses*

Checklist For Graduation

*4 units for **CORE COURSES***

*16 units for **MAJOR***

Maximum 24 units Level 1

Minimum 10 units Level 3 from the Bachelor of Science course list
