Graduate Diploma in Environmental Management (GDipEnvMan)

Graduate Diploma in Environmental Management (GDipEnvMan)

Program Code: 5084
Duration: 1 year full time
Total Units: 16
Entry Requirements: Please refer to GDipEnvMan future students page

Key Program Information

- This program can be used as a pathway for the Master of Environmental Management (MEnvMan) program.

Important Notes

The information contained in this document is intended as general advice only.

Students must follow the program rules & requirements listed on the Programs and Courses Website. This planner must be used in conjunction with your program duration course list and program rules.

Students need to check the prerequisites, incompatibilities and restrictions for all courses they select in their study plan. Future course offerings are subject to change.

This document is not intended as a progression or graduation check. For further information on progression or graduation checks, please contact your school.

Further Assistance

Check out the Frequently Asked Questions (FAQ) page on this study planner document.

<tr>
<td></td>
<td>Applied Research Methods</td>
<td>2 units – Core Course</td>
<td>2 units – Flexible Core Courses</td>
<td>2 units – Flexible Core Courses</td>
</tr>
</tbody>
</table>

**Step 2** Decide on your options. Students must complete exactly 6 units of Flexible Core Courses as listed on the course list. Students complete exactly 6 units of Program Elective courses as listed on the course list.

*Note* that courses are only offered in certain semesters, and should you wish to take a Flexible Core Course offered in a different semester than displayed on the study plan, you can do so, by changing it with one of your program elective courses.

**Step 3** Check prerequisites, incompatibilities, and restrictions for all courses you have selected in your study plan. You can click on the course codes above or find the course on the course list. You may need to adjust courses in your study plan at this step.

Please refer to the GDipEnvMan course list for full course options.
